Dear Valued Guest,

Following the successful first edition in 2024, FPT, in partnership with MEDEF International, is honored to invite you to the France-Vietnam Business Forum.

Date & Time: **3:30 PM – 10:00 PM | 18th June 2026**

Venue: **Hôtel InterContinental Paris Le Grand**
2 rue Scribe, 75009 Paris

This year's Forum is built around one central theme: **Sovereign AI & the Rise of AI-Native Enterprises**. As France and Vietnam both accelerate their national AI strategies, we want to go beyond the headlines and have an honest, high-level conversation about what it actually takes to build, deploy, and govern AI at scale- across borders, industries, and regulatory environments.

The forum is designed to connect our leadership communities, translate bilateral ambitions into tangible outcomes.

Your presence would contribute meaningfully to these conversations and to strengthening this growing partnership.

I look forward to welcoming you to the event.
